

20" Pure Flatscreen Television

MAGNASONIC®

Side A/V Jacks for
Video Gaming

Component Video Jack

Connect your high resolution A/V equipment using the Component Video Jack to provide an excellent picture with crystal clear detail.

"Quick-View" Previous Channel Return

The Quick-View button on the remote control allows you to flip back to previously watched channel and back again.

Sleep Timer

The Sleep Timer allows you the comfort to watch TV while falling asleep. Easily sets to automatically turn TV off in 10 minute intervals up to two hours later.

Environment Friendly

Conserves energy – 3 watts or less power consumption in Standby mode!
